PISD Home Football Game Stadium Guidelines

PISD wants to ensure all players, coaches, officials, and spectators are kept safe while attending a game at Bulldog Stadium. We ask that everyone attending games comply with these guidelines so our Bulldogs can continue to compete and represent our school and community this fall!

Ticket Sales:

- For home football games, varsity football parents, band parents, athletic trainer parents, and cheer parents will be able to purchase 4 tickets per participant on a designated time and day. The remaining tickets will be available after parents have had the opportunity to purchase. **Tickets must be purchased online. No tickets will be sold at the gate.**
- On Thursday nights, the stadium will be emptied after the Jr High games to allow the JV ticket holders to enter.

Safety Guidelines:

- All spectators must have a face covering on and properly worn over the mouth and nose when entering and exiting the stadium. The UIL has stated that all spectators should make every effort to socially distance and to wear their face covering while in the stands. Face coverings must be worn while visiting the restrooms, concession stand, and all common areas.
- If you are displaying any of the posted symptoms of COVID-19, do not enter the stadium.
- Spectators must remain in the stands during the game unless traveling to the restroom or concession stand. Elementary age children must be accompanied by a parent or guardian to and from the restroom and concession stand.
- Students and spectators will not be allowed to congregate in any location of the stadium.

Information regarding spectator protocol for away games will be determined by the home team.
